

INTERNSHIP OFFER LETTER

Dear Pruthviraj Tarode,

We are pleased to offer you the position of **AI Technology Intern** at **Digital Dada**. Your internship is expected to begin on **February 8, 2026** and will continue until **August 8, 2026**, subject to the terms and conditions outlined below.

1. Stipend

You will receive a monthly stipend structured as follows:

- 15,000 INR per month for the first three (3) months of the internship
- 20,000 INR per month for the final three (3) months of the internship

2. Work Hours

Your expected working hours will be fewer than 30 hours per week.

3. Reporting Structure

You will report directly to Dwayne Lewis, CEO of Digital Dada.

4. Responsibilities

Your responsibilities will include, but are not limited to:

- Assisting with AI automation deployments
- Supporting Digital Dada AI implementations for internal operations and client projects
- Configuring lead response, follow-up, appointment booking, and support workflows
- Testing, monitoring, and optimizing AI agents
- Documenting workflows, processes, and system improvements
- Assisting with CRM integrations and internal task routing
- Supporting the company's transition into a full AI implementation and automation firm

This is a hands-on role focused on real-world business systems and implementations rather than theoretical research.

5. Potential Full-Time Employment

Upon successful completion of the six (6) month internship, you may be considered for a full-time position, subject to performance, business needs, and mutual agreement. Completion of this internship does not guarantee full-time employment. Any future role, title, and compensation would be negotiated separately and documented in a new agreement.

6. Confidentiality & Intellectual Property

You are required to maintain strict confidentiality regarding all company information, including proprietary systems, AI workflows, automation logic, client data, internal documentation, and intellectual property. All work products, processes, automations, and intellectual property developed during the internship are the sole property of Digital Dada. These obligations remain in effect during and after the completion of your internship.

7. Acceptance

Please confirm your acceptance of this offer by February 9, 2026.

We are excited about the opportunity to work with you and look forward to your contributions to Digital Dada.

Sincerely,
Dwayne Lewis
