Dear Pruthviraj Shyamrao Tarode ,

We are delighted to offer you an NPTEL Postbac/Pre-Doc Fellowship position at **IIT Madras**, which will provide you with the opportunity to conduct research at the institute.

Project Details:

Project Title: PRE-DOC_26-366_AI-enabled Intelligence Framework for NDT Defect Detection

Faculty Advisor: Prof. Ranjit Bauri, Professor, IIT Madras

Faculty Contact Details: rbauri@iitm.ac.in and **9884873651**

Fellowship Award:

Duration: One (1) year, starting on 16 July, 2026 and ending on 15 July, 2027

Stipend: ₹25,000 per month, to be disbursed on a monthly basis + HRA 30 % of your Stipend.

Mode: In-person full-time research fellowship

Accommodation and Travel Allowance:

Please note that the institute does not guarantee on-campus housing. You will have to find your own accommodation. Additionally, travel allowance will not be provided. You can contact the local office for any support required.

NPTEL Local Office Contact: Ms. Jayashree at jayashreed@nptel.iitm.ac.in and **7358562163**

Important Note:

1. The fellowship period is for one (1) year, contingent upon satisfactory performance and conduct of the student, as determined by the Institute.
2. This fellowship is designed to provide a pathway to pursue advanced research opportunities and does not guarantee admission to M.S or Ph.D programs in the concerned institute or under the faculty.

We are excited to welcome you to the program and look forward to supporting your research endeavors.

All the best.

Warm Regards,

Prof. Andrew Thangaraj
